Was the office staff courteous, polite and helpful?

Very much so

If you had Mold Remediation, did we complete your job to your satisfaction?

Way beyond my satisfaction. Tom went way beyond the call of duty in making sure the cause was found and repaired. His referral to the contractor was so helpful and he was even willing to consult with the contractor to pinpoint exactly what caused the mold and how to repair it properly. I am so grateful for that! This was a very scary thing to find in your home, and I wanted to be sure to fix it properly. Thank you so much!!

Was the crew neat, courteous and timely?

Absolutely

Would you recommend Advanced Indoor Air Quality ?

In a second! :)

May we use you as a reference?

Of course
